

**KIRKWOOD ATHLETIC ASSOCIATION**  
**GIRLS INDIVIDUAL REGISTRATION FOR SPRING/SUMMER 2020**

**KAA DOES NOT PERFORM BACKGROUND CHECKS ON TEAM PERSONNEL**

Each year KAA accepts registration forms from individuals for the purpose of forming teams. We form teams at the ages of 5u thru 8u for girls. Youths 9 and older may utilize the softball discussion board at our website at [www.kwdaa.com](http://www.kwdaa.com). They may list their desires and also search the needs of managers seeking players.

We will break down teams into ages 5-6 and 7-8. 5-6 years old could play against 5u boys depending on the number of applicants & teams we are able to form. 5-6u is strictly machine pitch. 7-8u will be either machine or player pitch, or a combination of both depending on what the majority of teams wish. Teams are formed from registrations received and are grouped by school attending, school district, zip code of the applicant and requests to be placed on the same team, however, this cannot happen without volunteers and volunteers for managers, coaches, scorekeepers, etc. all come from the parental ranks. **Without parental volunteers your child may not be placed on a team.**

Applications are accepted until teams are filled which is generally the last week of February. There isn't a set cutoff date, so get the application in ASAP. The cost per team is \$1,100.00. Each manager will collect the league fee once the team is assembled and submit **one** check for the entire fee to KAA. **We do not take individual checks for each team member.** The league will provide the initial uniform consisting of a jersey with the team name and number on it and a hat. We also provide the initial team equipment consisting of 5 batting helmets with face guards, chest protector, catcher's helmet with throat protector and shin guards as well as a bag to carry the equipment. The league also purchases a secondary medical policy for all players and team personnel including the manager, coaches and scorekeeper. The league provides all participants with participation awards at the end of the season. Play begins in April and concludes in July. Games are played Monday thru Friday. A limited amount of games or rainout make ups will be played on weekends.
